DANIELLE'S NEWS

Danielle continues to enjoy being in Year 2. She was thrilled at Christmas to get the part of the Mother Mouse in the Christmas production, "A Home of their Own." She sang a duet with Father Mouse.

She has also been learning about Florence Nightingale and Mary Seole. She seems to be very taken with Florence Nightingale.

Probably, the most exciting thing that has happened for Danielle was the visit of Ishmael to the school. Ishmael is a well known children's worship leader. His most famous song being, "Father God I wonder." She now regularly visits his website and sends him emails!!

KELIAH'S NEWS

Since the beginning of the term Keliah now stays all day at the Nursery on Thursday and Fridays. Needless to say she is the fussiest eater at lunchtime!! The worst days are when there is mince on the menu. Her favourite thing on the menu is cake and custard.

One of her favourite things is junk modeling. Most days she comes home with some creation or other. She is just starting to learn how to write her

own name. She knows how to spell her name.

She is desperate to be 5 years old so she can come to Explorers (the church's after school club every week.

MICHAEL'S MONKEY BUISNESS

The title sums it up really. Michael is a delightful little monkey most of the times. If you come and visit us you must ask him to do you a monkey impression. As you will see from the photo he also likes doing a duck impression with Mummy's rubber gloves.

He is really into Pirates. We gave a dressing up box for Christmas. The pirate costume is his favourite. He loves brandishing his sword at his big sisters. He is particularly please when they run away screaming!

His favourite songs at the moment are, "Twinkle Twinkle Little Star", and "Wind the Bobbin Up".

Michael the Duck

FUTURE PLANS

We are planning on going to Zambia for Christmas. Karen's parents are missionaries there. Please pray for this trip. We already have some prayer needs for this.

- Danielle's passport will be renewed in time. (We need to get her full birth certificate from South Africa first. It will take between and 3 and 5 months and then her passport will take another 3!!)
- Financial provision for air fares, visas and medical needs.
