## CHILDREN'S WEEK

This a children's holiday club which Angela, a friend of Karen's runs every year. Karen has been one of the leaders for the last couple of years. She works with an other friend, Alison with the 5 year olds. Danielle and Keliyah also come. We all absolutely love it. One of the

highlights every year has been the theme song that Angela writes. This year the theme was Being Fit inside and out. This year Keliyah even managed to teach the theme song to Michael. Another big highlight for Keliyah again was the puppets Gerry and Fiona.

## KAREN'S BIRTHDAY

This was spent at Children's week at the start of the day. She was given some really lovely presents – bright pink tops. Later in the evening we all headed for the Harvester. Karen enjoyed eating what she wanted. This came at a price though. She missed her Weight Watcher's weight in that week and the next week when she got weighed she had put on 4lbs.

## END OF THE SCHOOL YEAR

We were very pleased with Danielle and Keliyah's school reports. Keliyah was the only child in her class who got a number bond badge. In fact she earned 2: her 5 & 6. Her teacher also said that her reading and sounding out words had really improved. Danielle's reading was also of a very high standard. She also was above average for most of her other subjects including Maths. It has been also a good time for Michael in the Nursery.

## HOUSING UPDATE

This has come to an unexpected delay. As we mentioned in our last newsletter we had an court order going through the courts. We received a letter from the court to say that it had not been granted because we have a verbal agreement and not a formal tenancy agreement. It would be great if God could supply us with something soon. Dale is a bit more peaceful about this than Karen.

Playing Snakes and ladders with Uncle Rory

The children are also peaceful about it. They are already planning what there new rooms are going to be like and what toys they want to fill them with. The wish list of toys does not only include their bedroom but also what "garden furniture" that they would like too.
